APRIL 21, 2026 • STOP THE GERRYMANDER

■ VOTING IS UNDERWAY — YOU CAN VOTE EARLY RIGHT NOW!

■ **THE TRUTH ABOUT THIS BALLOT MEASURE:**

- **Democrats want to FLIP 4 Republican districts** — creating a 10-to-1 Democratic advantage in Virginia's 11 congressional seats.
- **66% of Virginians ALREADY ended gerrymandering in 2020.** This referendum reverses that reform and hands power back to politicians.
- **AG Jason Miyares declared it UNCONSTITUTIONAL.** Lawsuits by the RNC, NRCC, and GOP lawmakers have been filed to stop it.

TO END GERRYMANDERING  
IN 2020 — THIS REVERSES IT

*"Virginia's current maps are already fair — graded 'A' by the Princeton Gerrymandering Project. A YES vote doesn't restore fairness. A **NO** vote protects it."*
