

# VOTE NO

APRIL 21, 2026 • END GERRYMANDERING

## THE TRUTH ABOUT THIS BALLOT MEASURE:

- Democrats want to FLIP 4 Republican districts — creating a 10-to-1 advantage.
- 66% of Virginia voters ALREADY ended gerrymandering in 2020. This reverses it.
- AG Jason Miyares says it's UNCONSTITUTIONAL. Lawsuits have been filed.

GERRYMANDERING  
IN 2020

*“The current maps are fair — graded ‘A’ by the Princeton Gerrymandering Project. Voting YES destroys that fairness. Voting **NO** protects it.”*
